VB035, VB036

ENGLISH I, II

The course is aimed at improving the knowledge of English, which should be intermediate at the beginning of the course.

The course aims to broaden the knowledge of English grammar and phrases acquired at secondary school and to focus on specialized language in the area of IT. The course is designed for intermediate students. At the end of the course students should be able to: understand specialized articles; use the language fluently; talk about a wide range of IT related topics; provide relevant explanations and arguments; give clear descriptions and presentations; answer questions spontaneously.
