1 A section

Hello, world!

This next paragraph starts on one page, ...

... with some more text on the next page. some text

2 Another section

2.1 Another subsection

Now, here is some math; firstly without any tagging: $\left(\alpha+\beta\right)^2+\gamma$, then with tagging: $\left(\alpha+\beta\right)^2+\gamma$..., with some text in between, before both tagging and alternative text for 'Read Out Loud': $\left(\alpha+\beta\right)^2+\gamma$.

This one has alternative text attached to the structure; but then this attribute exports into the .xml file: $(\alpha+\beta)^2+\gamma$.

$$\int_0^1 x \, \mathrm{d} x$$

Goodbye.
