# *Java Trainee Program*

## < Long-term program

< Already 37 people have already successfully passed JTP

## < Length of 4 months

## < Assessment centre as selection procedure

## < Opportunity to get acquainted with interesting technologies

## < Flexible task selection

## < Possibility to choose thesis topic based on actual task

# *Java Trainee Program*

## < I had the opportunity to work with

- < Biometrics server (ExpressID AFIS 3 from Innovatrics)
- < Java EE platform (Spring, Hibernate, Oracle Weblogic)
- < Java client based on Swing, distributed with Java Web Start

## < **Amazing experience**

- < Big challenge
- < Interesting technology
- < No just testing or bug fixing
- < Personal responsibility

# Time for fun

*„JTP mi poskytlo unikátní možnost jak se v rámci svého omezeného studentského času podílet na reálných systémech.“*

*„Díky programu JTP jsem se po osmi testerských letech mohl stát vývojářem.“*

*„Ostatní firmy nabízejí pro studenty především pozice jako tester. V „Java školce“ jsem si mohla osahat věci a technologie, které mě zajímají.“*
