REQUEST

**for the remission of an entrance examination to the Master study programme
at the Faculty of Informatics Masaryk University from the academic year 2019/20**

If you are applying for a **remission, based on bachelor's degree**, tick one:

- I am a **holder of a Bachelor's degree** in Computer Science or any related fields and enclose certified copy of my Transcript of Records for the whole Bachelor degree issued by university.
- I am **in the final year of a Bachelor's studies** in Computer Science or any related fields and enclose official Transcript of Records issued by university no earlier than 12. 3. 2019.

and also for your Bachelor's study, choose one:

- My study average of grades** for the Bachelor's study is **at no more than 2.00** (according to the grading scale corresponding to the ECTS principles used at MU; in case of different grading scale the applicant must contact the Office for International Studies of the Faculty of Informatics MU).
- I belong to the fiftieth percentile** in my bachelor degree programme and enclose the confirmation of this percentile issued by the university.

If you are applying for a **remission, based on master's degree**, tick one:

- I have **successfully completed a Master's degree** in Computer Science or any related fields and attach lists of courses completed in my master and bachelor studies issued by the university (original or certified copy). The both lists must be issued after the completion of whole studies (original or certified copy). In this case there are no requirements for study average.
- I am a **student of the final year of a Master's degree programme** in Computer Science or any related fields and attach a list of passed courses issued by the university on 12. 3. 2019 or later (in this case there are no requirements for study average but **at the time of enrolment the study must be successfully completed**). I also attach a list of passed courses in my bachelor study issued by the university after the completion of whole study (original or certified copy). In this case there are no requirements for study average.
