# Růženka: Příběh květiny

---

Některé příběhy IBM začínají  
v počítačové laboratoři.

Některé začínají  
na poli...

A jaký to  
dává smysl?

## Commerce

Intelligent  
engagement with  
customers, partners  
and suppliers

## **The Weather Company**

Business solutions  
based on weather data  
for better decision-  
making.

## IBM Z

IBM Z mainframe servers and software deliver secure, reliable, and fast IT infrastructure

## Security

Enterprise security intelligence and expertise in one framework

## Blockchain & IBM Cloud

Shared, immutable ledger for recording the history of transactions. Not only this is running on IBM Cloud.

## MobileFirst

Enterprise mobility solutions deliver a complete environment to develop apps and enable engagements.

A nic z toho by se nedělo bez  
IBMerů v Jihomoravské  
metropoli
