Produkt Kentico

The screenshot shows the 'Applications' dashboard for a user named 'Dancing Goat'. The dashboard is organized into several sections:

- Left Navigation Panel:** A dark sidebar with a search bar and categories: Content management, On-line marketing, E-commerce (with sub-items like Buy X Get Y discounts, Catalog discounts, Customers, Free shipping offers, Manufacturers, Multistore configuration, Order discounts, Orders, Product coupons, Product options, Products, Store configuration, Store overview, Store reports, Suppliers), Social & Community, and Development.
- Header:** Includes navigation icons for home and search, and the user name 'Dancing Goat' and 'Dashboard'.
- Main Content Area:**
 - Welcome to Kentico:** A blue box with a home icon, a sun icon, and links for 'Browse all applications' and 'Open help'.
 - Grid of Applications:** A grid of 24 application tiles, each with an icon and a label: CSS stylesheets, Custom tables, Debug, Email queue, Event log, Forms (with a counter '0' and 'Forms submitted in the last 7 days'), Licenses, Media libraries, Modules, Page templates, Page types, Pages, Permissions, Roles, Scheduled tasks, Settings, Sites, System (with a counter '30' and 'Minutes since the last restart'), UI personalization, Users, Web parts, and Widgets.
