

# Setkání s průmyslovými partnery SolarWinds

Masarykova Univerzita v Brně  
Fakulta Informatiky  
6. 5. 2015

# SolarWinds

- » Nope, it's not an alternative-energy company!
- » It's a software developer whose network and systems-management products paced a 25% revenue rise last year.

What we do?

# Software for IT Management

Network

Systems and  
Applications

Database

Security
