WEB PAGE

Web page for IV054 for copies of lectures and exercises is
http://www.fi.muni.cz/usr/gruska/crypto03

EXERCISES

- Exercises will be posted at the IVO54 web page (almost) always on Tuesdays at 18.00.
- Solutions have to be emailed to IV054@fi.muni.cz till 24.00 on Tuesday, two weeks after they are posted.
- Exercises should be sent as postscript files or text files, but not doc-files.
- Special points will be given to:
  - the first 4 of those who sent solutions;
  - those who write solutions in English;
  - those who sent solutions as ps-files or pdf.files;
  - Those with a very interesting solution and those that discovere some error(s) in formulation of exercises or in lecture texts.
- For more details concerning exercises see the web page http://www.fi.muni.cz/ xbouda1.

EXAMS

- First 10% of those with thye most of the points get automatically 2 for exam and to get 1 they need to answer only one out of 5 questions at the exam.
- Next 15% will have to choose 2 out of 5 questions.
- Next 15% will have to choose 3 out of 5 questions.
- Next 10% will have to choose 4 out of 5 questions.
- All others will have to choose 5 out of 5 questions.

The above rules hold for the first exam of everybody. At each next exam the number of questions that need to be answered will be increased by 1 up to five.

ZÁPOČET

To obtain "zápočet" 50% of points need to be obtained from exercises, or 2 out of 5 questions have to be answered at the exam. ,
